

We're a small church with big plans; looking for a faith leader for 2022 not 1952. We're open to full or part time; but you must be willing to engage in mission in our community, our classis and possibly the country and the world. We are preparing to "forsake all" by risking our resources to "Faithfully Follow in the Footsteps of Jesus Christ's" mission.

You must be willing to spend a large amount of time out in our community, as well as serving our small congregation. We want to become the "go to" place for help in the Minisink Valley. Applicant can be ordained, a commissioned pastor, or a preaching elder as long as the Holy Spirit shines in you.

Our new leader should be able to combine our resources, ongoing tithes and gifts with classis, synod and government funds to continue the work beyond a few years. We want to turn our tangible assets into other tangible assets but, more importantly, into the intangible assets of God's kingdom. The applicant should be able and willing to:

1. Lead Worship enthusiastically while employing Faith's gifts,
2. Disciple the congregation and new believers (including youth), thereby multiplying disciples, and
3. Serve the community while empowering the congregation for an ever-growing mission.

Faith Church is located in the beautiful and rapidly growing, diverse, Hudson Valley of New York. Our immediate community is a quaint, rural area but our surrounding county is filled with amazing hiking, biking, skiing, shopping, hunting, fishing, wineries, breweries, museums, restaurants, waterfront dining and so much more. The church is located less than a mile from our highly desirable central school system, Minisink Valley Central Schools.
