

## Minister of Word and Sacrament (Part-time) - Upper Saddle River, NJ

Historic church in bucolic Upper Saddle River, New Jersey, seeks an RCA or Formulary Partner ordained Minister to work in partnership with the congregation to revitalize its ministry and serve the people of Upper Saddle River and the surrounding communities. The position is part-time to start with the expectation that we will grow to need a full-time pastor to shepherd our flock. The church offers a stately parsonage adjacent to our 12-acre campus for our minister's family to reside. Our congregation is ready for the next phase of our ministry and is looking for the right leader to help us let our light shine.

Please contact Cathy Lowden, Elder and Chair of Search Committee for more information.
