A quorum was present.

Denise Kennedy**. Following some questions and reminders that confidential personnel matters couldn't be discussed in this form but had been reviewed by appropriate groups, and that there is no suspicion of any wrong-doing by the outgoing treasurer, but to best meet the needs of the presbytery at this time Personnel and Vision Team agreed that this was the way to move forward it was ultimately **VOTED** to elect **Rev. Kennedy** Treasurer.

Following a reading of **Luke 5:1-11** in many languages **Elder Elise Bates-Russell** offered a brief sermon "**Being Church**". She spoke about how church can be transformative by being community, a sense of koinonia and that transformation works outward not simply inward in the church community.

Response to The Word of God.

Jarvie Program/Chaplaincy.

Rev. Shelley Gardner presented the report of the Jarvie Chaplain. She shared that Jarvie is a program which serves seniors within a 50 mile radius of Columbus Circle in NYC (which is our whole presbytery) in a variety of ways providing access to a chaplain as well as to social workers and other services with the goal of “Helping seniors live an enriched life”. She underscored how important this program has been in terms of helping people feel connected during the pandemic. More information can be found at www.jarvie.org and Shelley can be reached by email at shelley.Gardner@presbyterianfoundation.org

Elder Jerome Lane, Jr. (Community Organizer) Shared about mission efforts in local contexts. An **offering** was received to help **community ministry** efforts. **Rev. Dr. Wanda Lundy** offered a **Prayer of Dedication**.

Rev. Dr. Deborah Huggins (Summit— Central) presented the report of the Commission on representation requesting the presbytery to forward an **overture** they prepared to the General Assembly meeting this summer. (See Appendix VII) The overture seeks to **ensure that people with disabilities are included** in the places where different categories of representation are called out **within the book of order**. They were mentioned specifically in some references but not in other where the list is repeated. This overture would employ the same language in each place a list of groups was named.

Given the advancing hour it was agreed by unanimous consent to use the scheduled song “Sing a New Church into Being” performed by soloist Aaron Melton from Old First Newark as a postlude at the conclusion of the meeting and continue with the remainder of the docket.

Board of Pensions.

Rev. Dr. Carrie Mitchell presented the brief update of the Board of Pensions. She shared that assistance programs have been expanded to include more eligible people and to be available in more situations. She also shared that at present the Board provides benefits to more lay people than ministers, that a new “Care Navigator” program is being rolled out in the spring to participants in the health plan which will streamline access to care and pre-cert processes and to be on the lookout for new cards with new numbers on them as a result of that change, and that COVID rapid tests are available through express scripts to participants in the health plan.

Adjourn.

The docket having reached its end, the Presbytery **VOTED** to adjourn and the meeting was closed with prayer and benediction offered by Pastor Kirk Woodward (Vice Moderator).

The Team agreed that Mike Capron could handle the process and there was no need to vote on individual names.

2. Interface with Commissioned Pastors – The team met with CPM and Rev. Victor Aloyo to discuss the work he has done with other presbyteries and bring a written description of how he is willing to lead a group to help our presbytery train and serve Commissioned Pastors.

3. The team discussed that some of the challenges faced by Commissioned Pastors are financial, especially in the realm of health insurance. Student debt can also be a problem. The Board of Pensions is helpful at answering questions in both English and Spanish.

F. Other Business

Everyone entering ministry needs to complete Vocational counseling/psychological evaluation and background check. There is a need to expand those proving Vocational Counseling/Psychological evaluations to supplement diversity and competency. There will eventually be a need to do background checks on all members of the new presbytery for our insurance and to redo them every 3 years going forward.

Jeremy Campbell and Madelynn Lindsey have been meeting with liaisons to talk about all the information they have gathered from their assigned congregations.

Commission on Preparation Report - 2/15/22

The Commission met on Wednesday, January 25, 2022. The agenda included dialogue with Rev. Mike Capron, Rev. Shelley Gardner, from COM and Rev. Victor Aloyo around the topic of "Providing clearer training, boundaries and roles for CRE/CLP". We set up a schedule for meetings (annual consultations) with persons under care over the next few months.

There are no items for actions.

Grants Review Commission

The Grants Team has begun to meet concurrently with the Community Ministries Team. Our Team will be developing an application form with criteria and guidelines for local congregations engaging in creative outreach. These grants will be similar to the Greystone Legacy and New Hope Grants in the former Elizabeth and the Service and Witness grants in the former Newark.

The new Grants Team has George Ross, RE from Central Summit, Lynn Salassie RE from Central Montclair with Rev. Dr. Kenneth J. Macari, HR TE as Convenor. We want to expand our team membership. If interested, contact Dr. Macari at kjmacari@hotmail.com

Community Ministry Commission

The CMC currently consists of Valencia Norman, Dan Mitchell and Brooks Smith. We expect to add 2 members at this meeting.

We have conducted 2 joint meetings with the Grants Commission to introduce ourselves to one another and seek to clarify our responsibilities and resources.

Jerome Lane is the staff resource for both commissions. Working with Jerome we have agreed that the Grants Commission will focus on allocating funds to ongoing church programs and agencies in a way similar to the Service and Witness Committee of former Newark and the agency grants of the Mission Committee of former Elizabeth.

The CMC will allocate funds for shorter term projects and programs along the lines of the Greystone Grants of former Elizabeth and the New Hope grants of the Mission committee.

We agreed to create a single application form. We intend to present that form and an application process to the May presbytery meeting.

We have been informed that there is a fund of \$10069 available for disaster related expenses and \$8487 for Greystone projects. While the CMC understands that it is designated to serve as a disaster commission, we very much need someone with a passion for disaster response to serve with us.

Through the Community Ministry newsletter that Jerome has developed we expect to inform the Presbytery about the variety of church based ministries that serve our community.

Rationale for Electing Volunteer Treasurer

When the PNENJ came into being it inherited three financial systems that included a contract with an accounting firm and three staff members with varying responsibilities for managing the flow and recording of financial transactions. Over the past year, a considerable amount of work has been done to consolidate our financial processes. That work was complicated by a number of factors, including the departure of two staff members.

Immediate steps were taken to fill the bookkeepers positions while the Office Admin position was filled with a temporary person. This enabled the presbytery to move forward while also giving some time to consider other staffing models. After a healthy conversation, the vision team adopted the recommendation of the personnel committee to move forward with a volunteer treasurer and to transition the bookkeeper into an expanded part-time position - Transitional Finance Coordinator.

This new position will also help us live into that part of the missional invitation that recommended the sharing of staff/resources between presbyteries. In this case, our current bookkeeper is also serving in the role of Financial Administrator for a neighboring presbytery.

Because of this new direction, our current treasurer was notified of the change, dismissed from the position, and is being provided with a severance package that recognizes his faithful service to the presbytery and the abundant work he did during the transition.

With the paid treasurer's position eliminated, the presbytery must now elect a new volunteer treasurer.

Presbytery Treasurer

Volunteer position for a Ruling Elder or Teaching Elder nominated by Vision Team and elected by the Presbytery

Purpose: Serve as the Treasurer of the Presbytery's Corporation; approves and signs checks for all disbursements.

Accountability: The Treasurer is accountable to the Presbytery through the Vision Team.

Responsibilities:

- Serve as ex-officio member of the Finance Task Force
- Reviews and approves payable invoices prepared by the bookkeeper, and signs associated disbursement checks; review payroll taxes and withholding deposits
- Oversees the work of the bookkeeper, and ensures that clear concise reports of the presbytery's finances are provided to the vision team monthly and to the presbytery at each stated meeting.
- Supports the budget development process as needed.

Term: The Treasurer is elected for a term of three years and is eligible for reelection.

Recommendation

The Presbytery of Northeast New Jersey respectfully overtures the 225th General Assembly (2022) to direct the Stated Clerk to send the following proposed amendment to the presbyteries for their affirmative or negative votes:

Shall F-1.0302 (c) be amended by inserting the following words [Text to be added is shown in bold.]: “Because the church is catholic, it strives everywhere to testify to Christ’s embrace of men, women, and children of all times, places, races, nations, ages, **abilities**, conditions, and stations in life.”

and F-1.0404 be amended by inserting the following words [Text to be added is shown in bold]: “a new openness in its own membership, becoming in fact as well as in faith a community of women and men of all ages, races, ethnicities, **abilities**, and worldly conditions, made one in Christ by the power of the Spirit, as a visible sign of the new humanity.”

Further, the Presbytery of Northeast NJ recommends that disability be included in future lists of marginalized people in policy, procedure, and liturgy.

Rationale

The current foundational statement (F-1.0403) already uses language inclusive of people with disabilities. This amendment seeks to use consistent language around disability throughout the Foundational statements of the book of order.

“Well Chosen Words” (2010) states using inclusive and expansive language is one way to acknowledge and celebrate all people and bring recognition and a sense of belonging to people who have been historically marginalized in society and even in the church.” This amendment would reflect this overture by making all parts of the Book of Order consistent in their inclusion of people with disabilities.

People with disabilities include 26% of the US population (CDC, 2020) making it the largest minority group in America. People with disabilities represent an important part of our church and they should be named in lists of people to be included.

Research shows a significant gap in presence and full participation for people with disabilities into the life of the church (Ault, Collins and Carter, 2013). The inclusion of people with disabilities in our polity shows our intention to be inclusive of this group.

We identify as being “people of the word,” marking both our commitment to Biblical scholarship and exegesis and the importance of the words that we use when preaching, teaching, and guiding our church’s polity. These small corrections reflect the value and importance that we put on the use of consistent inclusive language throughout our policies.
