Vision Team met for its regular meeting on zoom at 4:00 PM on June 25th 2024.

Updates were shared about the office move! We are finally settling in at Bloomfield Church on the Green. Move day was 4/25.

Marie Coremin was hired as the office administrator. She is a ruling elder from the Living Hope Presbyterian Church in Clifton. She has been a clerk of session and also treasurer of her church in the past. She is also a Deacon.

It was also shared that Liz Hutchison who has been our Finance Manager for the past nearly 3 years has given notice, to focus on her primary job. In coordination with Rick Friedl from the finance team, both long and short term options and plans are being developed.

The vision team discussed goals for 2024-5. As the discussion unfurled values of Communication, Connection, Hospitality, and action rose to the surface as goals to work toward while a visioning process continues. It was agreed that vision team members would each send Steve 2 ideas to express those 4 values between now and the next VT meeting.

It was also agreed to make the August VT meeting a Leadership Summit in person at the presbytery office, later in the evening with dinner served.

Rev. Jeremy Campbell closed with prayer.
